

Menopause Resources

GAME

Menopause Game

This game raises awareness of the menopause, challenges common myths and helps women to recognise and manage symptoms. It can be played by anyone to raise general understanding of the menopause and reduce stigma around the menopause.

Presenting menopause information in a fun, interactive and non-judgemental way, it empowers players to share their experiences and their concerns.

BOOKS

Menopause: All you need to know in one concise manual

By Lisa Newson (2019). Publisher: Haynes. ISBN: 9781785216428

Written by a menopause specialist, this will give women and their families the facts for stages and symptoms and details for safe and effective treatments for their particular needs.

Menopause: The change for the better

By Deborah Garlick and Henpicked (2018). Publisher: Green Tree. ISBN: 9781472948731

Reflecting the latest NICE guidelines and information about HRT, this book provides a balanced view and encourages you to explore the options and think about what's right for you. Covering the facts, the myths, different approaches to menopause, including natural and medical options, and what to expect. Also included are quotes and stories from women sharing their own experiences.

Our bodies, ourselves: Menopause

By the Boston Women's Health Book Collective (2006). Publisher: Simon & Schuster.

ISBN: 9780743274876

Discussing menopause in the context of the rich and varied life experiences of women from diverse backgrounds, this reference emphasizes self-care and prevention strategies, such as good nutrition and exercise, as the foundation of health through the menopausal transition and beyond.

Menopause: The answers

By Rosemary Leonard (2017). Publisher: Orion Spring. ISBN: 9781409153344

Covering everything from hot flushes, changes to your menstrual bleeding pattern, how to tackle sex after menopause, and advice on alternative remedies, this book is a comprehensive guide on how to navigate your body's changes.

The complete guide to the menopause

By Annice Mukherjee (2021). Publisher: Vermilion. ISBN: 9781785043291

This book includes a lifestyle toolkit and demystifies the menopause by looking at: how to manage the menopause at work, how things change in the decades after the menopause, what happens if you have a medically induced menopause and when to consider hormone therapies and HRT.

Menopause: The one-stop guide

By Kathy Abernathy (2019). Publisher: Souvenir Press. ISBN: 9781788165389

A welcome addition to the range of material now available to help women understand their menopause. Kathy Abernathy understands that menopause is an intensely personal experience and offers thoughtful advice for treatment and lifestyle options.

Preparing for the perimenopause and menopause

By Louise Newson (2021). Publisher: Penguin Life. ISBN: 9780241504642

Despite being something that almost every woman will experience at some point in their lives, misdiagnosis, misinformation and stigma are commonplace. In Preparing for the Perimenopause and Menopause, the UK's leading menopause expert, Dr Louise Newson will demystify the taboos and show why every woman should be perimenopause aware, regardless of their age.

Living well through the menopause: An evidence-based cognitive behavioural guide

By Myra Hunter & Melanie Smith (2021). Publisher: Robinson books. ISBN: 9781472144782

Written in an accessible and interactive style, with case examples and quotes, this guide will empower you and, specifically:

- Help you to understand and cope with your physical and emotional reactions to the menopause
- Clarify your key goals, thoughts and feelings using interactive questions and homework sheets
- Enhance your self-care through behaviour change
- Help partners and loved ones to support you through the menopause

The good menopause guide

By Liz Earle (2018). Publisher: Orion Spring. ISBN: 9781409164180

Liz Earle, MBE, is one of the world's most respected and trusted authorities on wellbeing. Following on from her bestselling books Skin and The Good Gut Guide, this beautifully illustrated guide shares all of the information, tips and advice you need for a healthy menopause. She provides guidance on how to balance your hormones, the importance of a nourishing diet, the myths and facts about HRT, osteoporosis, how to optimise bone health, and how to boost energy and self-esteem.

The books and the game listed above are available from the library. The books can be found on the library shelves and can be borrowed for four weeks at a time. You can also ring/email to borrow them and we can post them out to you.

ONLINE RESOURCES

NHS Employers: Menopause and the Workplace

<https://www.nhsemployers.org/articles/menopause-and-workplace>

Information on how menopause can affect women at work, and practical guidance for employers on how to improve workplace environments for them.
